### 2015 Club Officers

President: Dave McCumber N9WQ  
Vice-President: Tom Powell, KC9VXR,  
Secretary: Lloyd Vandervort N9RPU  
Treasurer: Doug Schultz N9EZF  
Sergeant-at-Arms: Ron Keller, KC9YVL

Board Member: Peter Fox KB9WZD  
Board Member: Stan Cram A10M  
Board Member: Larry Mielke KC9RUE

### Committee Chairs

Contesting/Education/Scholarship:

Jack Heil KG9IN

Field Day: Jack Heil KG9IN

Fund Raising: Open

Net Manager: Doug Schultz N9EZF

Newsletter: Dick Finn KC9ZVW

Public Service: Ed Beltz N9PJQ

Publicity/Program: Joe Scheibinger K9VY

Repeater: Lloyd Vandervort N9RPU

Testing: Doug Schultz N9EZF

Truck: Brad Freund KC9QYP

TVI: Lloyd Vandervort N9RPU

Web Site: Stan Cram A10M

Each committee has several members. If you are interested in serving on a committee, please contact the chairperson and volunteer your services.

### The Presidents Corner

By: Dave McCumber N9WQ

Hello Everyone Here we are again coming towards the end of the year and a lot has changed. What I mean by that is we have had our great AES store bought out and taken over by HRO. That's not necessarily a bad thing because some-time's change is good .

But getting back to AES they were always in our corner here in Fond du lac in fact they started right here in town. It was always an asset to have a great big ham store here in our small town!! I have tapped the memories of our oldest member of the fond du lac Amateur radio club to tell us how it all began because we all know how it ended here's Teddy Willet's W9NHE recollection.....

Back in the early 50's a high school kid by the name of Terry Sterman had joined the Fond du Lac Mike & Key Club, (Which a few years later was change to the Fond du Lac Amateur Radio Club).

Terry passed his Ham Radio exam for a "Novice Class" ticket and received his call from the FCC as WN9DIA, not long after that he up-graded to General Class.

His dad, Harris Sterman owned a TV & Radio Parts store on North Main Street in FDL known as "Harris Radio Corporation". Terry was asked by members of the radio club, ask his dad if he could order Ham Radio equipment for us.

When it was a go, Terry set up shop in the front of his dads store . WOW! we had a place to buy the good stuff, A "Candy Store", Terry even took trade-ins.

Every Saturday mornings the store looked like the place was a "Ham Convention".

(Continued on Page 2)

### Next Meeting

**When:** Nov. 14, 2016 at 7:00 pm

**Where:** Moraine Park Technical College  
Room O-102

**Program:** Election of Officers

### The Presidents Corner (cont.)

By: Dave McCumber N9WQ

After a few years, as Terry was attending school at MSOE in Milwaukee, he packed up from his dad's location in FDL and moved to Milwaukee. The first store was leased on west North Avenue, next to Hall Chevrolet.

After a about a year, when that location became too small for the business he was doing, he found a building on 39<sup>th</sup> and Lisbon. It even had living quarters above the store.

He did very well at the Lisbon Avenue location and the place became too small for the what the business had grown too.

He then purchased the Layman Plumbing building on 49th Street and Fond du Lac Avenue. There he had a 200 foot self standing tower erected with VHF and UHF antennas. He even offered business radio service.

Well ! Guess what?? That place also became too small. He then put an offer in on a large building on West Good Hope Road which became the "World Headquarters" for AES.

By now the company had branched out around the country with stores in Chicago, Ohio, and Las Vegas, and two stores in Florida,

Terry had now cornered the market on Amateur Radio equipment and was on the top of the heap in the country to the point he surely was known as "The King Traders".

Oh sure by now there where other dealers on the radio scene, but the one that concerned Terry the most was HRO (Ham Radio Outlet). Terry set his goal that he wanted to remain "The King", so he set out to add more establishments.

By the time Terry had his seconded store he received his pilot license, and over the years the company had a fleet of five airplanes. Two were Beachcraft "Starships".

One of the Starships was a flying ham station with operating radios on just about all bands, "Air Mobile" .We would fly a lot of junkets all over the country, to the east coast, south, west and north west.

A lot of the times we went to different cities all over the country just to look at a places to put a new AES store, he wanted to put a AES ham outlet in every state.

Terry had one main goal in life, and that was to put all the other Ham radio dealers out of business so, that he would truly be the "THE KING". Before his death he only had one store to beat out, and that was HRO (Ham Radio Outlet). Ironically as of August 29, 2016 HRO purchased Amateur Electronic Supply.

Now that competition is over and HRO has won out.

Terry J. Sterman is gone, but he will always remain to us as "THE KING OF TRADERS"

By  
Ted Willett, W9NHE

### Officer Elections

Our annual officer elections will be held during the Nov. 14, 2016 meeting. During our October meeting a preliminary list of candidates was selected by the members. If you were unable to attend last month's meeting, feel free to either volunteer or nominate someone at or prior to the November meeting.

The following members were nominated at the last meeting:

President:	Buddy Larson KC9UVJ Jim Balthazor K9AIX Stan Cram AI0M
Vice President:	Paul Bleuel KC9NAA Tom Powell KC9VXR
Treasurer:	Doug Schultz N9EZF
Secretary:	Lloyd Vandervort N9RPU
Sgt at Arms:	Isaac Lundburg KD9FPG Ron Keller KC9YVL
Board Member:	Larry Mielke KC9RUE Dick Finn KC9ZVW

"Here's a message from Milwaukee"

This thoughtful wife knows that the moment her husband turns to on Schlitz the reception is good. For Schlitz has a very special note that beer-lovers are changing to with ultra high frequency. Taste Schlitz, yourself. You'll soon know why.

Schlitz tastes so good to so many people, it's first in sales in the U.S.A.

RADIO HEADQUARTERS: "The Beer of the Air," with the Mutual Company, Indianapolis, IRE.  
TELEPHONE 117. "Schlitz Masterpiece of Malt," Chicago, ILL.

### October, 2016 Testing By Dick Finn

We held our second testing session of the year on October 15, 2016 at MPTC Room O-104. Even though Doug Schultz N9EZF coordinated everything he was out of town (in Germany) on the day of the tests. We owe a vote of thanks to Jack Heil KG9IN for stepping up to the plate, collecting the exam materials from Doug and taking on the role of lead proctor for the exam. Jack was assisted by Joe Scheibinger K9VY and Dick Finn KC9ZVY.

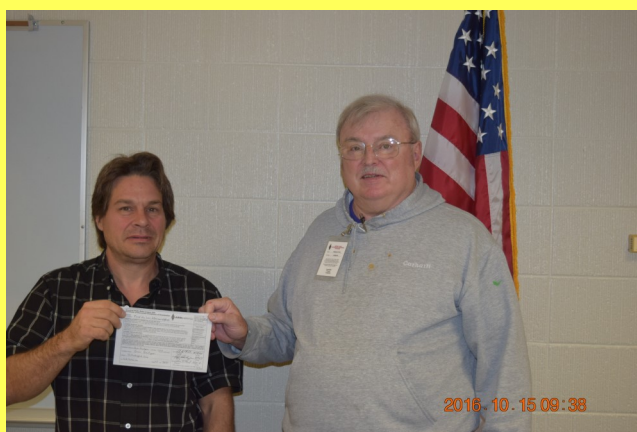

We had four people earn their Technician ticket and two more who upgraded their ticket to General. A couple of them indicated they would be back for the December 10, 2016 testing session to further upgrade their tickets. Congratulations to all of them.

Russell Scharrer	Technician
Kristopher Russell	Technician
Ben Howeling	Technician
Rick Jarzynka KD9EMX	General
Brian Broutigam	Technician
Thomas Karrmann	General

Remember, you still have time to prepare for the next test to upgrade your license.

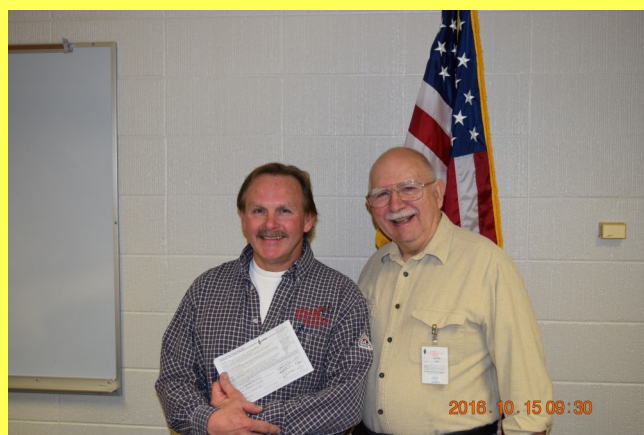

*Ben Howeling receives his Technician ticket from  
Jack Heil KG9IN*

*Brian Broutigam receives his Technician ticket  
from Dick Finn KC9ZVW*

*Russell Scharrer receives his Technician ticket  
from Jack Heil KG9IN*

### Celebrating your club's Elmers might encourage others By Dan Romanchik, KB6NU

Celebrating your club's Elmers might encourage others

Sam, W5KF, recently sent me a link to the Elmers' page on the Norman, OK South Canadian Amateur Radio Society (SCARS) website. Not only is it a listing of the club members who have stepped forward to Elmer new members, but also provides ways to honor current and past Elmers. This is from the SCARS newsletter:

"Elmer List on the W5NOR.org website

"This week we talk about a brand new feature on the W5NOR web site. In the amateur radio community, an experienced amateur radio operator who mentors a new or prospective ham is commonly called an "Elmer". In our hobby, that seems to be a great way for knowledge to be transferred.

"Yes, we all have taken an FCC test to receive our license, however that's only the starting point. Remember that person that helped you set up your first radio, or gave you the courage to press the PTT button, or answered endless questions about a radio, or an antenna? That's the kind of thing we're talking about.

"Thanks to a great suggestion from Gary Skaggs WB5ULK [not sure it was my idea. – Editor], we've created the SCARS Elmer Page, located at <http://w5nor.org/elmers>, for us to celebrate Elmers; past, present, and future. We provide a place for Elmers to list their specialty, and contact information, which allows new hams to find someone they can ask questions of.

"Since this is a new section of the web site, this list is rather short. If you're willing to help others on a given topic, send a message to [n5hzz@arrl.net](mailto:n5hzz@arrl.net) and you will be added to the list. Right now we need lots of different categories, like antennas, radio setup, HT programming, contesting, satellite operation, high power operation, test gear, building your own gear, repairing radios, APRS, D-Star, DMR, CW, logging, etc. oh well, you get the idea.

"You don't need a PhD to be listed here. You just need a willingness to help others in a given area. It's OK to be a new ham, and be listed here. You may have just struggled through your first space contact, but you'll have infinitely more knowledge than the person who's been a ham for 40 years, and has never tried that portion of the hobby.

"Also, there is a link to the "ARRL Elmer Award" page of the American Radio Relay League's web site. Here, you can enter your favorite Elmer's name and callsign. The ARRL will print a nice certificate, and mail it to the address you enter. Yes, for FREE! This certificate can either be mailed to your favorite Elmer, or you can mail it to yourself so you can present it to them personally. Feel free to order an Elmer certificate, and present it to your Elmer at an upcoming SCARS meeting. Talk with one of the officers before the meeting to get your place on the agenda. What a great way to recognize these people for their extra efforts.

"Finally, we've got a place to list YOUR favorite Elmer in our SCARS Elmer Hall-of-Fame. This is the place to memorialize your Elmer, whether they are SCARS members, Silent Keys, or not. I've already listed a few Elmers on the list from my own travels through the hobby. We'd love to list the people that help us all succeed.

"So, please help make this page useful, visit the SCARS Elmer page at: <http://w5nor.org/elmers> and be listed as an Elmer, and list your favorite Elmers."

I think this is a wonderful idea, and I hope that you will consider doing something similar in your club. A little recognition could go a long way, and we need all the Elmers we can muster. And, if you're already doing this, please send me a link. I'll add that link to my website, KB6NU.Com.

=====

When he's not Elmering new hams, you'll find Dan building kits and working CW on the HF bands. He is the author of the "No Nonsense" amateur radio license study guides, and blogs about amateur radio at KB6NU.Com. You can contact him by e-mailing [cwgeek@kb6nu.com](mailto:cwgeek@kb6nu.com).

### MEETING MINUTES

#### FOND DU LAC AMATEUR RADIO CLUB Minutes of FDLARC Monthly Meeting Monday, August 8, 2016

##### Call to Order

The meeting was called to order at 7:01 pm with President Dave McCumber N8WQ officiating.

##### Program

The evenings program featured Neal Camball via Skype who presented his DXBASE logging software. Neal explained how he got started in HAM radio. He went on to describe how he got into contesting and using DXbase for logging. He bought the software from the owner Abroham Neal.

The software does complete logging and all automation of dx clusters, radios, antennas and rotors. The software needs a com port on your computer (or USB to serial adapter).

Neal is also into computer automation for customers. He gave us a demonstration of what the program screens look like.

The price starts at \$49.95 but he is considering dropping it to \$24.95. Buyers should visit his website at [www.dxbase.com](http://www.dxbase.com) to verify the price before purchasinf the package,

##### Introductions

All attendees introduced themselves.

##### Approval of Meeting Minutes

A motion was made by Lloyd Vandervoort N9RPU to approve the minutes of the last meeting as published in the newsletter. The motion was seconded by Tom Powell KC9VXR. The motion carried via a voice vote.

Truck Fund	0.00
Emerg. Services Fund	1,178.09
General Use Fund	3347.31
Savings Account	25.00
Petty Cash Fund	19.12
Total	4567.52
Repeater Fund	328.65

##### Treasurer's report

The treasurers report was presented by Doug Schultz N9EZF. A motion to approve the Treasurer's report was made by Peter Fox KB9WZD and seconded by Buddy Larson KC9UVJ. The motion carried via a voice vote.

##### Old Business

Jack KG9IN and Marjorie KC9BEN Heil originally planned to host a picnic at their house. Jack indicated that it was getting too late in the Fall for a picnic. It was decided not to move this forward this year.

The Wisconsin QSO Party scores were published. Unfortunately, not all of our points made it to the final tabulation. Apparently some of the submissions did not indicate they were members of the FDL ARC.

Jack Heil KG9IN reported that Gene Olig KD9ZP is doing well after his ankle injury. He is now home.

### MEETING MINUTES

#### FOND DU LAC AMATEUR RADIO CLUB Minutes of FDLARC Monthly Meeting Monday, August 8, 2016

##### **New Business**

The annual officer elections will be held at next month's meeting. Nominations were entertained with the following results. The floor will again be opened for nominations at the next meeting to allow members to name additional candidates.

President:	Buddy Larson KC9UVJ Jim Balthazor K9AIX Stan Cram AIOM
Vice President:	Paul Bleuel KC9NAA Tom Powell KC9VXR
Treasurer:	Doug Schultz N9EZP
Secretary:	Lloyd Vandervort N9RPU
Sgt at Arms:	Isaac Lundburg KD9FPG Ron Keller KC9YVL
Board Member:	Larry Mielke KC9RUE Dick Finn KC9ZVW

A Discussion of replacing the truck (possibly with a trailer or motor home) was held. Peter Fox KB9WZD is heading a committee to investigate the best alternative and will report back at the November meeting.

It was suggested that charging for logos on the truck may be a good source of funding. No action was taken on the suggestion.

It was mentioned that we should become a 501c group to allow commercial donors to obtain a tax write off. This would create a lot of paperwork to maintain. No action was taken on this suggestion.

The Christmas parade will be on Dec. 3, 2016. They need help starting at 2:00 pm with the actual parade starting at 4:30 pm. At least ten members are needed as volunteers. More information will follow.

Jack Heil KG9IN told us that his wife Margorie KC9BEN is doing well and her cancer is in remission. We all wish her well.

The Christmas Party will be held on Dec 11, 2016 at Jim and Linda's restaurant in Pipe.

##### **Business from the Floor**

There was no business from the floor.

##### **Adjournment**

A motion to adjourn was made by Jack Heil KG9IN and seconded by Jim Balthazor K9AIX. The motion carried via a voice vote and the meeting was adjourned at 7:40 pm.

The 50/50 Raffle was won by ticket Joe Scheibinger K9VY.

### NOTICES/ANNOUNCEMENTS

#### Elmers:

It has come up several times recently that there is a need for our more experienced members to act as Elmers for the newer HAMs in the club. The first time this came up I got linked up with Jack Heil (KG9IN) and have spent many enjoyable hours with him. I've learned about hanging an antenna, contesting and a week or so ago got a super tour of my Yeasu FTDX1200. Most importantly, I finally got on the air.

#### ELMERS

Lloyd Vandervort (N9RPU)	lloydv654@gmail.com
Doug Schultz (N9EZF)	n9ezf@fdlhams.org
David McCumber ((N9WQ)	n9wq@charter.net
Marjorie & Jack Heil (KC9BEN, KG9IN)	heilmj@att.net 920-9221413
Rick Robinson (N19Z)	920-924-9559 Code, DX'ing, Contesting
Stan Cram (A10M)	Contesting, general help

At the April meeting we collected the names of several members who were willing to act as Elmers and the names of several others who would like their help. With a goal of linking the two I have listed the names below. I offer it as an exercise for the student to match Column A to Column B.

#### SEEKING HELP

### NOTICES/ANNOUNCEMENTS

#### License Exams By Doug Schultz

If you missed our last testing session in October, we will be hosting license exams again on Dec. 10, 2016 from 9:00 am to Noon at Moraine Park Technical College in Room O-104. If you know of anyone who is interested in getting their ticket, please give them a call. There is also plenty of time to prepare for an upgrade test. Buy the study guide now and divide it up across the weeks from now till Dec. 10. Reserve the last three or four days for taking practice tests.

You should be able to easily pass even the Extra exam with only a few minutes of effort per day from now to Dec. 10. Be aware that the question pool for the Extra Class Test takes affect on July 1, 2016. If you plan on taking this test you will need to prepare using the new pool.

#### 2017 Club Dues By Doug Schultz

The 2017 club dues are due at or before the January, 2017 club meeting. Club membership dues are \$15 for individuals, \$7.50 for students and family memberships are \$20. They can pay me at the November 14th club meeting or at the Holiday Party on Dec. 11th. If they can't attend either of those events they can mail them to:

Fond du Lac Amateur Radio Club,  
P.O. Box 53,  
Fond du Lac, WI 54936.

Doug Schultz N9EZF

#### Calumet County ARES Sunday Night Nets

Hello Everyone, I hope you are enjoying the cooler weather. I was asked by Brian Turkiewicz, EC for Calumet County, to send out this email regarding a change to Sunday night nets in Calumet County.

**Effective immediately, Calumet County ARES Sunday Night Nets will be held on the 147.300 repeater.**

This is the repeater that the nets were held on a few years back, the repeater information is below.

147.300, PL 107.2, + offset

If you have any questions, please contact Brian. Hope to hear you on Sundays, 73's

Please feel free to forward this to anyone else you think may need this info.

Nate L. Van Da Huvel  
ARES Skywarn Coordinator  
Calumet County, WI

### Free, For Sale or Wanted

#### Logo Ware:

Last spring many members ordered polo shirts with the club logo on the back and name and call sign over the pocket on the front. The screen printing company, "Imagineers" in Ripon, has the logo and will print it on many items such as tee shirts, polo shirts, jackets, etc. The prices are reasonable. They do not need a minimum order and will do one item if it is paid for in advance.

You can call them to order a polo shirt like members got last year or another item, give a credit card number if you do not want to travel to Ripon, Tom Powell, KC9VXR, who lives in Ripon is willing to bring them to FDL at the next meeting or event. Or, you can come to their store in Ripon to see the many choices they can offer from a wide variety of clothing manufacturers.

Contact information is listed below. Due to the many manufacturers they buy from the options are too numerous to put on a website. They do a lot of business with schools in the area also. There are other options for purchase of club logo wear but this company was chosen last year for their prices, quality, the large variety of items, their good service, and willingness to do small orders.

Imagineers  
Howard and Jane Hansen, owners  
217 Watson St.  
Ripon, WI, 54971  
(920) 748-6599  
—30—

**Rick Robinson wore this jacket to our last meeting. It really is quite handsome. The logo is embroidered. Rick paid the setup charge already and estimates the price would be about \$125 for others.**
