President's Comments

Tom Kormann KC9VZY

Well, another month with no place to go. We will be having another meeting via a Net. Hopefully things will begin to open soon, if the virus starts to recede a bit, and we can get back to our in person meetings. This

month we need to go over field day and our sprint brat fry I think one of those will be cancelled, but the ARRL is going to go through with field day, but with modifications.

Please also bring any new ideas for how our club can move forward in the face of the current shutdown. We need everyone involved in moving forward as a club.

I'll keep these remarks short this month, and I will see you at the meeting; figuratively of course.

Tom Karmann, President
KC9VZY

NEXT MEETING

When:
April 13, 2020 at 7:00 PM

Where:
To adhere to social distancing guidelines, this month's meeting will be held on the air on the club's repeater

145.430 MHZ Tone 97.4 HZ

Yellow Thunder .org Amateur Radio Club

Repeater:147.315 D-Star:145.315 Baraboo, WI

The Yellow Thunder Amateur Radio Club is based in Baraboo WI and was established in the fall of 1969. The first club meeting had around 20 amateur radio operators from Sauk and Columbia counties and met in the Sauk County Courthouse basement.

Today's club maintains around 50 to 60 members and owns and operates 2 VHF repeaters. One analog WB9FDZ on 147.315 with a tone of 123.0 and one digital D-Star on 145.3150.

The Yellow Thunder Amateur will be presenting the 24th annual Circus City Swap-fest on August 29, 2020. The event will be held at the Badger Steam and Gas Grounds located on Sand Rd. just north-west of Baraboo and north of Hwy-33 West. More information can be found on their website.

For The Yellow Thunder, field day 2020 will be held on June 27 & 28, high atop the Baraboo Bluffs at Owen Park, in Columbia County and

they will be monitoring the YTARC repeater – 147.315+ PL123.0. Everyone is Welcome!

Quarter Century Wireless Association Inc.

Vision

The Quarter Century Wireless Association, Inc., celebrates Amateur Radio operators achieving 25 years in Amateur Radio and develops resources to assist young Amateur Radio operators in furthering their education through the QCWA Scholarship Program.

Mission Statement

To promote friendship and cooperation among Amateur Radio (Wireless) operators who were licensed as such at least a quarter of a century ago.

To operate exclusively for charitable, educational and scientific purposes, and more specifically to promote interest in Amateur Radio Communications and the advancement of the electronic art; to use the reservoir of knowledge and experience represented within the membership of QCWA for the benefit of all Radio Amateurs, and the furtherance of the Public welfare through Amateur Radio Communications; to support scholarship(s) for deserving Amateurs pursuing higher educational objectives; to encourage participation in QCWA chapter meetings and local amateur radio and public interest groups.

Visit their [website](#) for more information.
