JULY, 2020

JOIN US ON SUNDAY EVENINGS FOR OUR WEEKLY NET
1930 HRS - 145.430 MHZ - TONE 97.4HZ

Life has been interesting to say the least. With the ups and downs of the COVID-19 pandemic life has definitely changed. Now with the WI governor mandating wearing masks in public places, it is a good time to stay home and get on the airwaves to make some contacts and meet new people.

With a silent key there is some equipment available. Check further down in the newsletter for a list of equipment and prices along with a contact. Please be thinking of the family during this time and help if you can.

The family of silent key Wally Rueger, KC9WQ would like to sell his radio equipment. Below is a list with approximate values estimated by Dennis Paulin, KB9OFM. The family will likely accept a "best offer" on most of these items. The contact person is daughter, Chris Rentmeister. . She would like equipment purchased to be removed from the home in Ripon by the buyer(s) as neither she or Wally's wife are familiar with it. Tom Powell, KC9VXR has some pictures of his shack and the tower and can send them to anyone with serious interest in purchasing. Wally took good care of his equipment and we assume all is in good working order.
